

# Theme Overview ~ heroes and villains

Breadth of Study

## PSHE

Rule of law and individual liberty. Our history study will link with the PSHE focus, which will also include work on the black civil rights movement and the centenary year for women's votes in this country.

## History

Changing role of monarchy. In this study we will explore why parliament runs the country rather than the queen. We will learn how the monarch's role changed by finding out about King John, James, the civil war, Queen Anne and Queen Victoria.

## Art

Portraits

We will be looking at portraits and asking what they tell us about the person being painted and possibly the artist. We will create our own portraits.

## IT

Our half-term will start with e-safety. Pupils will think critically about the information they share online.

Curriculum drivers

## Enterprise

In ICT we will be created reminders we can carry with us about how to stay safe online.

## Outdoor learning

The English Civil War might take place on the school field!

## Active Learners

We will be role-playing different parts of our history to understand the various viewpoints.

## Multicultural

In our history and PSHE work we will be frequently learning about others ways of living in different places in the world and at different times.

Enterprising is a service to others which provides something of value.

Making best use and getting most value from the outdoor environment, people and places including local settings.

We want children to be active rather than passive learners; to be enquiring, physical and have NO WORKSHEETS!

Broaden children's horizons, empathy and understanding of other cultures outside of Stockbridge.
