## Plan and impact of funding 2016-17

Lump sum funding <i>April 2016</i>	<b>£8000</b>
Total of per pupil amount (£5 ea) <i>In budget year 2016/17</i>	<b>£555</b>
Total fund for 2016/17	<b>£8555</b>

Expenditure	Amount	Intended outcome
Test Valley Cluster Inter school competitions and cluster events programme	£1200	Enables children to have access to a wider network of inter school competitions with 6 other schools and draw on the expertise of the junior leaders and specialist sports staff from local secondary.
Dance Festival	£35	Year 3/4 benefit from specialist coaching in preparation for the dance festival which is a non-competitive element of the cluster provision.
Lions in the community	£840	Qualified coach to take children for after school clubs including – football in the autumn and winter, athletics in the summer term. This provides additional opportunities for our more able football players who play in other teams but also opens the opportunity of playing to other pupils across the school. As the coach is well known to the children more girls will also opt to join this club.
Cathy Devereux	£3848	Sports coach to cover PPA and work with teachers to model good practise in the teaching of a range of sports. Staff will develop their own practise ensuring that all children are taught a range of PE skills well.
Subject leader release time	£966	6 x year to monitor progression and quality of teaching – to be taken.
Purchasing games equipment	£1666	Equipment for the teaching of games will be purchased to supplement the current equipment. All areas of the PE curriculum can be taught with good quality equipment, additional equipment will also be made available for the peer mentors to organise and run activities and games and for the Change for Life clubs to run at lunch times for all pupils to ensure active and healthy lunchtimes.
TOTAL	£8555	

## *Impact of PE Premium spending 2016-17*

### ***Afterschool clubs***

With an increasing range of after school clubs on offer which are sports focussed and led by adults known to the children the uptake of these clubs has maintained. This has included some clubs which have continued to ensure that children are able to follow their interests and develop their skills.

Clubs on offer this year have been open to pupils from KS1 and KS2 and many pupils have attended more than one club on offer.

### ***Competition***

Level 1 (intra-schools competition offered)

Tag rugby, netball, football, hockey (KS2)

The addition this year has been of a 'house' netball competition run by the Bronze Ambassadors during lunchtimes

Level 2 (inter-schools competition offered)

Inter school competitions have been held in indoor athletics, boys football, girls football, cross country, rounders, swimming, netball and basketball, inter school sports festivals have been held in dance, mini games and girls football.

We have a take up of 25% of pupils taking up the inter schools competition with cross country being open to all and all other teams chosen by the school, registers are kept of these to ensure that there is a balance of pupils being given opportunities to attend and participate.

### ***Dance***

Years 3 and 4 have entered the dance festival. Last year the class teacher worked alongside a dance specialist and this expertise has been built upon in LKS2.

### ***Subject leadership***

Subject leadership time has been spent on developing the medium term planning for all aspects of PE. The Daily Mile has been introduced by the subject leader with the Bronze Ambassadors taking an active part in the planning and running of this scheme.

The school were awarded the Gold Sainsbury's Active Kids Award in Summer 2017.

### ***Pupil Voice***

This year we have worked with a team of pupils as Bronze Ambassadors. They have received training through Test Valley School and they work closely with the subject leader in promoting sport and sporting opportunities for the whole school. The Bronze Ambassadors have helped to promote and run the daily mile for all pupils, including pre-school. They have surveyed the student population on the provision of after school clubs and sporting opportunities at school and fed this back to the subject leader.
