# Welcome

What wonderful weather we had over Easter holidays and it was great to hear all the exciting things the children have all been up to over the break. We'd like to extend a very warm welcome to new children who have joined our school this week:

- **Poppy** and her family who've joined **Year R** in Sprat & Winkle and who are in the process of moving back here from Hong Kong.
- Milly and her family who've waited patiently for a place in Year 2 and joined us from Kimpton School.
- **Kyle** and his family who have joined in **Year 3** from just up the road.

We are also welcoming lots of new faces to pre-school over the next few weeks and we're delighted to have 16 children assigned to our school for September 2019.

As the first newsletter of a new, long term, I have tried to capture for you some of the big events that are coming up in the school calendar. The updated calendar is on the school website and diary dates detailed on this newsletter also so please do pin it up on your fridge/door/wherever as a reference guide. WELCOME BACK! Mrs Jefferies Headteacher

# **TTRock Stars – times tables**

We have bought in an exciting new package to support times tables and division facts at home. Thankyou to those who came to the workshops on  $x/\div$  this week.

TTRock Stars info will be coming home just before half term once we have shown the children how to use it in school and had a few inter-school challenges.

# **DIARY DATES**

New dates are added each week in bold. \*means further details will be sent.

#### Lovely lunchtimes

We are revamping our lunchtimes to ensure the children have an active and full lunchtime or have a range of quieter activities to do. Children have lunches in their family groups, with their buddies and some of the older children take on responsibilities such as peer mentors and bronze ambassadors too. These are being rejuvenated with a renewed focus and our next parent's lunch is in the week beginning 20 May so you can come and see how we're getting on!

#### Super sport!

# What are we working on as a school in assemblies?

This newsletter is focused on what's to come in the summer term and assemblies are a key feature of our work in school – a time to come together and all share the same messages about something that's important to us all.

Friendships & Fallouts; finding a way through

Is the theme of our assembly time this half term. We will be considering what makes a good friend, how to join in with a new group of friends and what to do if you feel left out. How to deal with conflict and how to decipher the difference between bossiness and bullying as well as actions children can take to be better friends.

We will focus on stories and games, puppets and plays to explore this theme and next week, we start by looking at the qualities of a good friend.

Of course, this is all done through our core school values of respect and collaboration.

### Clubs

Clubs begin next week. I know that there has been much debate about the charges for clubs and I do really appreciate your support through the changes. Schools are facing a challenging and changing landscape financially and, what we have offered for free in the past outside of curriculum time can no longer be subsidised unfortunately, hence the need to introduce charges.

The childcare offered through these clubs is an important part of what we offer as a school in conjunction with Clubhouse and we really didn't want to stop running clubs so making a small charge for them enables us to keep the provision running. Thankyou to those parents who did come to talk to me about it, it's always useful to have your feedback.

We have spaces left in **golf club** (Miss T – Tues) and **tennis** (Craig – Wed) as well as **choir** (Miriam – Mon).

# **Residentials for September**

Both Calshot & Brecon Beacons residential are happening in September and we'll be giving parents an opportunity to hear what happens, how to prepare and for us to answer any of your questions on **Tuesday 30**<sup>th</sup> **April**:

#### **3.30pm for Calshot parents 4.00pm for Wales parents**

We will meet in Miss Caws' classroom and will run an activity for your children whilst you are in the briefing.
