

Recommended reads for Year 5

These are age appropriate texts for Year 5 children to read and enjoy. We have a stock of each book in class which can be borrowed in addition to a child's library book and their reading book. Some children might choose to read them as their 'school reading book' – this is fine! From October half term, children will be able to colour them off on their reading wall sheet in their reading journal. Let's get reading!
