

## The Clubhouse

# Newsletter Summer 2020

Flexible, affordable, reliable and fun

After school care at Stockbridge Primary

### The last few months

Clubhouse closed due to Lockdown on March 23<sup>rd</sup> to all but children of keyworkers. We have managed to remain open for them throughout that time, with the exception of a few days when we weren't needed. Sessions have been pretty quiet and very free-flowing but we have loosely followed an activity plan ranging from science activities to sensory outdoor play via cooking and junk modelling. The few children that have been with us enjoyed having the run of the school (until more children came back) with hide and seek being a particular favourite game!

A big thank you to all the Clubhouse staff who have been very flexible and supportive, especially to Mrs Burnand who has continued to come in every week to run sessions.

### Bookings

We are pleased to be able to open again to all pupils in school from the start of next term, unless advice or circumstances change again. We've missed you!

Bookings will open for regular bookings on Monday 20<sup>th</sup> July. Please go online to make the bookings you need for the first half of the next term (September/October). Please remember to check your registration details and update them if necessary. And remember that payment is due at time of booking to secure your place. Any sessions we had to cancel at the end of March have been refunded as a credit against your account which you will be able to offset against your next bookings.

### Parent and carers childcare booking system

As there will be no after school clubs running and to keep our groups of children as consistent as possible, as will only be offering two session options for the moment. These are 3:30-5pm or a full session (3:30-6pm). We have adjusted our start time to 3:30 in line with school timings. All sessions will include a snack and a planned activity as well as plenty of free play. We will encourage children to be outside as much as possible. Full sessions will continue to include an evening meal.

We will update you nearer the time on how things will work at Clubhouse next term as there will be some changes to location and procedures.

### Prices

Prices have been frozen for next year. This means a session till 5pm will cost £8.25 per child and a full session will cost £12.55 per child. Prices will be reviewed again in July next year.

### We are recruiting!

We are looking for a playworker and a supervisor for 2-3 days a week, term-time only. Full training provided and good rates of pay. We can be flexible over which days you work. If you are passionate about working with children and would like to join our small team please get in touch with Miriam on [the.clubhouse@sky.com](mailto:the.clubhouse@sky.com) or 07557 916359 for a full job description and application form.
