Victorian Day

Parents of children in Redbridge, Kimbridge and Horsebridge

In our current topic, lower school are learning about schools over time and how they have changed (thank you for telling your child about your own school life)

We are now moving even further back in time and finding out about life for a Victorian child and we are planning on holding a Victorian School day on Wednesday 2nd December. To make this a memorable experience we are asking the children to come to school dressed in a way that is similar to children at that time.

Below are some suggestions for simple costumes, remember that there should be no bright colours and we urge you not to purchase anything for this, hopefully you should be able to 'tweak' things that you currently have at home.

Girls · Grey school pinafore (If you don't have this you could wear a plain long dress with a white apron over the top) · School shirt/long sleeved t-shirt under pinafore · White apron · School shoes · Dark tights · Ribbons for hair or a white cloth cap
Boys · Grey/black shorts · School shirt · Waistcoat/jacket/jumper · Long socks · School shoes · Peaked caps/tie

During the day the children will hopefully experience a little of the formalities of a Victorian school and be able to draw comparisons between this and schools today.

Miss Tregunna, Mrs LeFevre, Mrs West
