

# Friends of Stockbridge School and Bags2School Fundraiser

## Who are Bag2School

Bag2School is a trading name of Next Best Clothing Ltd, the largest textile collection company working with schools in the UK. Founded in 1999, we have now paid over £36 million to schools, nurseries, playgroups, pre-school groups and churches which is helping the Circular Economy. With our trading stablemate Bag2TheFuture, we provide a free fundraising service for anyone wanting to raise funds using a resource EVERYONE has got in their wardrobe - unwanted clothes. Better still, the bags used for collections are all recycled!

*This is a great way to help raise funds for school during the lockdown and also clear unwanted goods from your house, especially when charity shops are closed!*

## How it works.

We all have clothing in our wardrobes that we haven't worn in ages! In a world of fast fashion, we now have a lot of stuff - but when it comes to a clear out what do you do to make sure the environment comes off best?

Bag2School has the answer - we've been helping schools for over 15 years and in the process paid out over £36 million to PTAs and Friends of School Groups and many other organisations. **The More We Weigh the More We Pay.**

## What can you do?

Collect up anything you don't need any more from the list, pop it in a black bag and donate it to the school.

Drop off on Wednesday 31<sup>st</sup> March between 8.30am - 10am to the School car park.
