

Pre-School Post

Hello,

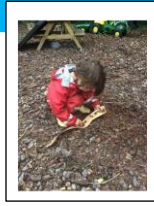

The autumnal weather has been embraced with many outdoor activities such as listening walks, making nature crowns, leaf collecting, kicking, rolling down the hills and more.

Painting and craft has focused on making woodland creatures using natural resources, egg carton spiders, conker rolling and autumn tree pictures.

After the half term break we look forward to making hedgehog bread rolls, and carving pumpkins. The little red hen is a story we recite well and will enjoy a bakers shop – usually the children love this too even if they all end up looking anemic! Watch out for those pictures.

Pumpkin Party

Foss have once again organized their ever popular pumpkin party. This event takes place in the school hall and there are many activities planned. Tickets are £3 which include a hotdog and drink of squash.

Mud, Mud glorious mud!

Are you landscaping a garden, do you have any spare earth or garden soil? Do you work on a farm?

Our mud kitchen is in need of soil and we would love the children to have access to this.

If you feel you can help, please let us know.

Coats and footwear

The heating may have been switched on but it's cold outside! Please can every child have a coat with them daily. We go out in all weathers and our waterproof coats are designed to accompany a warm coat not as an alternative. They are not warm on their own and we do not have spares of the warm layer.

Children need to attend in suitable, practical footwear too, ready to ride bikes, run, play and explore. Wellies are not suitable for all day wear.

Change of hours

As the children have settled into pre-school quickly this term, many of you have made enquiries about extra hours. Please can I remind you that 6 weeks' notice, is required to change hours. If we can accommodate your request sooner we will endeavor to, however this is not always possible. Please speak to Mrs Spayes, in the office or ask a member of staff for a change of hours slip.
