Primary and Pre-school

BULLETIN #15

17 January 2025

A short and sweet update on key things you need to be aware of ready for the next week or two at school.

Parent info sessions

Apologies for the confusion over the dates for parent information sessions. They are now underway and we look forward to sharing what your child is learning and how you can support them at home over the next couple of weeks.

We welcome healthy turn outs at these so that you can feel part of your child's learning journey and confident in how to support them.

A year group specific invite is attached to this bulletin so you can find out a bit more about each session.

First Aid for children

Many thanks to all of you and FOSS for raising and donating money for all children in Years 1-6 to receive first aid training last week with the Flat Stanley First Aid company. They crammed many things into the day including:

- How to cope with a nosebleed
- How and when you might call 999 and the other emergency numbers
- How to deal with lumps and bumps
- How to administer CPR
- Putting someone into recovery position.

Parent lunches

We had another great turnout yesterday for parent lunches and we absolutely loved seeing your children being proud of their school and talking you through their routines. I'm torn between George in Year R telling his Daddy "you have to walk in the corridor, just walk!" or Ivy's daddy showing off his hula hooping skills! Either way, thank you for engaging with this event – we know it's simply not possible for everyone just because of timings but if we offer it regularly, there may well be one you can make. It's the turn of Upper School next week!

Ending the financial year

We are now only 3 pay days away from the end of the school's financial year. By 29th March, we need to balance our books so that we can enter into a new financial year with a clear picture of where we're at. Please do take a moment to check your Scopay balance and get a plan in place to settle any outstanding amounts.

- Residentials
- Trips & visitors
- Breakfast club
- Dinners

School cannot carry any deficit.

Parent Teacher meeting bookings

Parent Teacher meetings are to be held on Monday 3rd February during the day and Wednesday 5th February after 3.30pm and will again be either face to face or online if you so choose.

Bookings on SchoolCloud will open at 5pm on Monday next week so please do get on there early to get your chosen slot.

Why not try to login this weekend to make sure you haven't forgotten your password?!

Staffing next week

We have a really, really busy week in school next week with gymnastics festivals on Monday, parent briefings throughout the week at various times. Subject leadership meetings, Mrs Henderson-Jones is officially getting married, guitar starts up, Upper School children welcome parents in for lunch and Mrs Jefferies is away at the BETT technology exhibition on Wednesday & Thursday to make sure we don't fall behind with new technologies and AI. If you need to catch a teacher, please speak to the office as the first port of call so we can make sure they are available.
