

GREAT NEWS!

In the summer, we were awarded our third year of being a PLATINUM School Games school, recognizing our commitment to keeping our children active and offering active playtimes and lunchtimes as well as high quality sport. We were rarely out of the top three in our inter-school competitions last year and won a few too!

To celebrate, we have teamed up with the brilliant (fairly) new leisure centre in Winchester and we are the 'school of the month' throughout October. **This gives you free access to the swimming pools, gym, exercise classes and 20% off children's birthday parties.**

You will need to follow the guidance on the attached sheet and make sure you sign up by 21st September so that you have free access to the facilities listed – it applies to you as well as your children!

Have fun and be active!

Mrs Jefferies & Miss Morris
Head PE lead
